NDW Roster Update

Next Dimension Wrestling shows throughout Europe have been growing in popularity. The Last Knight and Bob Hagar agreed that it was time to expand their talent roster. B.A. Jerk, Pete Cottontail, Buck Blake, and Di-Smash have all been signed to the NDW main roster. They are independent of the rivalry between the Knights of the Round Table and the Black and Blue Crew.

Four other newcomers have also been recently signed to Next Dimension Wrestling. They are included within this expansion. How will you use these new characters in your fed?

Heroes

Captain Adam: Space Pirate **“Treasure Hunting Throughout the Galaxy!”**

Captain Adam: Space Pirate has come to Next Dimension Wrestling for one thing, to add the NDW Dimensional Championship belt to his treasure collection. Captain Adam travels throughout the galaxy in search of rare treasures and historic items. He always has his trusty metal detector in hand, ready for the next treasure hunt. Captain Adam is a small but powerful wrestler who combines quickness and power to be a well-rounded wrestler. Upon entering NDW, Captain Adam has set his sights on fellow newcomer, Lance Romance. Will Captain Adam: Space Pirate succeed in his quest of upgrading his collection by capturing the NDW Dimensional Championship?

Feud: Lance Romance

Signature Moves:

Up Against “The Wall” - planted shoulder tackle

Treasure Hunt - running power slam

Walk the Plank - tightrope walk followed by an elbow smash

X MARKS THE SPOT - super kick

THAT'D BE A DOWNGRADE - knee to the face followed by a neckbreaker

Biordi

“Always Being the Good Guy!”

Biordi has finished cleaning up the streets of his hometown, New Castle, PA. His heroic crusade is set to continue in Next Dimension Wrestling. Growing up a fan of both comic books and Chicago sports team, Biordi has modeled and named his in-ring style around his love of these things. He even became a costumed vigilante to fight crime. Biordi is always the good guy. If he sees another wrestler being attacked, ambushed, or in some other unfair situation, he will be the first to come to their aide. Standing in the way of his fight for good is the evil, Halloween Hank, who Biordi plans to run out of the wrestling business for good. Biordi is preparing to set up a new team of heroes to watch over NDW. Who will he recruit for his cause?

Feuds: Halloween Hank, Buck Blake

Signature Moves:

Bull Rush - charging head butt in the corner

Blackhawk Assault - airplane spin driver

Cubbie Baseball Slide - baseball slide dropkick

Villains

Halloween Hank

“Your Worst Nightmare Brought to Life!”

A brand new Halloween Hank is now in Next Dimension Wrestling. This one is bigger, stronger, and maybe even scarier than the original. Most of Halloween Hank's in-ring strategy is based on the fear he brings to his opponents. Looking and acting like a monster from a slasher movie, Halloween Hank is like a nightmare that has come to life. His plan is to take over the NDW with his own brand of terror. He has immediately recruited his first minion in Pete Cottontail, who was trained by the original Halloween Hank. Hank's first order of business is to eliminate all the good guys, starting with Biordi and Ginger Rogers. Next, he will continue to build his terrifying team. Who will be joining Holiday Horror?

Tag-Partner: Pete Cottontail (Holiday Horror)

Feuds: Biordi, Ginger Rogers

Signature Moves:

Snap Scare - snap mare into the bottom rope

Fearful Fallaway - fallaway slam

Fear Stricken - flapjack toss into an uppercut

Chilling Chokeslam - chokeslam onto the ring apron

H² Bomb - pair of powerbombs

FRIGHT NIGHT - running boot to the face

Lance Romance

“The Ladies Man Has Arrived!”

Lance Romance has joined the Next Dimension Wrestling roster to meet women. He is the stereotypical Don Juan of the wrestling world. He carries a rose with him to the ring to give to the women at ringside that catch his eye. He has also been known to leave a rose on the prone bodies of defeated opponents. Lance Romance has the potential to become a huge star in NDW. His style is that of a long-time ring veteran, even though he is quite new to wrestling. He is coming into the promotion at the same time as a lot of other top talent, but he has the skill to quickly rise to the top. His first main rival is Captain Adam: Space Pirate. Will Lance Romance score big in and out of the ring?

Feud: Captain Adam: Space Pirate

Slap of Rejection - backhand slap

Heartbreaker - heart punch

Two-Timing Suplex - pair of German suplexes
