NEW CHARACTER BIOGRAPHIES

CARDINAL MAXIMOFF “Here to Spread the Good Word!”

Cardinal Maximoff is a Russian Orthodox Catholic who has planned to extend his ministry to the world of wrestling. Having been a friend of the Last Knight, Cardinal Maximoff has been extended an offer to join the Knights of the Round Table in Next Dimension Wrestling. In particular, Maximoff has been taken under the wing of Eagle Richards, who plans to make the rookie an alternate on the Birds of Prey tag-team. Maximoff urges Eagle Richards and Falcon Parker that he is not that type of cardinal, but agrees to join the Birds of Prey anyway.

Upon training at the Knights School of Wrestling, it is quickly discovered that Cardinal Maximoff is a bit of a pacifist. He is also a man that will follow the rules without wavering. Maximoff wants to be viewed as an example of Christian values. He will very rarely get himself disqualified. Cardinal Maximoff extends the Right Hand of Fellowship to his opponent at the start of every match. Not every opponent is eager to accept the handshake.

By default, Cardinal Maximoff has been paired against a fellow NDW newcomer on the rival team, Bomb Chelle. Cardinal Maximoff is uneasy with accepting matches against Bomb Chelle for many reasons, the main one being he feels strongly against violence toward women. Maximoff also

feels that it may be seen as inappropriate to be grappling with someone of the opposite gender. The Last Knight assures him that all will be well, that it is an athletic competition. This puts the young man's mind at ease, and Cardinal Maximoff agrees to the matches with Bomb Chelle.

Cardinal Maximoff has a unique in-ring style due to his pledge to be non-violent. Instead of strikes and dangerous slams and drivers, Maximoff uses a variety of wear down holds and takedown maneuvers looking for a quick pinfall. Cardinal Maximoff has his work cut out for him as he starts his wrestling career.

BOMB CHELLE

“She’ll Drop a Bomb On You!”

Michelle Mendez is a former minesweeper for the United States Army. She was given the nickname Bomb Chelle by her platoon for two reasons, her expertise in explosives and her striking looks. Bomb Chelle is fearless! She has no problems entering a minefield and disarming bombs to protect her fellow soldiers. On top of her mental bravery, Bomb Chelle is also as tough as they come physically. She won the Army Wrestling Championship competing against men.

When Bob Hagar, who has a special appreciation for the armed forces, reached out to Bomb Chelle to potentially join his Black and Blue Crew, she was very eager to accept the challenge. Bob Hagar paired Bomb Chelle up with fellow servicemen, Jet Black and Navy Blue. She will work as a third member of that tag-team. Whenever the Black and Blue Crew is scheduled for a tag-team match, any combination of the three may compete.

As a singles competitor, Bomb Chelle is set to do battle with fellow newcomer and rival, Cardinal Maximoff of the Knights of the Round Table. With this new rivalry, the Battle of the Sexes that started with Di-Smash and Lambert has now only escalated within these competing factions.

Many speculate that with Bomb Chelle's skill set, she is favored to come out on top in her matches against Cardinal Maximoff. A natural competition between the two females of their respective factions has also begun as Di-Smash and Bomb Chelle will have a side feud with one another.

Bomb Chelle's in-ring style is quite deceptive. At first sight, you would expect her to be a finesse fighter, but instead, she has a vast arsenal of power moves. Many wrestlers see Bomb Chelle's good looks and expect her to be just another pretty face. However, this woman has the ability to hurt people and she will! Bomb Chelle is can even end a match abruptly on while on the defensive, with the ability to hit her EXPLOSION finisher out of nowhere!
